

AERO Race Wheels Teams with Mod Lite STARS for 2017 Season

SOMERSET, PA (January 6, 2017) – Officials of the BILSTEIN Modified Lite STARS Championship Tour are pleased to announce the signing with nationally recognized company Aero Wheels. Based out of Estherville, Iowa Aero has returned as an associate sponsor for the Modified Lite STARS for the 2017 season.

In 1995, AERO Race Wheels, was established by current owner F.L. "Skip" Miller on the conviction that this company and its dedicated staff could provide higher quality wheels designed specifically to endure the tough requirements and conditions of the racing industry. Most importantly, the wheels needed to be manufactured and marketed while maintaining an affordable price structure. Since then, Aero have become the largest premier steel racing wheel supplier and our product line speaks for itself. It's not an

understatement to say that Aero have made our mark in the racing community in just a short time.

“We are very happy to have Aero Wheels on board with us”, Bill Bauer, President of Racing Operations stated. Aero Wheels puts out an excellent product that many of our drivers use. At the most recent 411 Raceway Hangover race our 2016 national champion Randy Bryan and our 2016 Futures Cup Champion Kolbe Kimbrew was awarded with certificates for a set of Aero Wheels. In 2017 Aero Race Wheels will provide Modified Lite

STARS 2017 Championship and Futures Cup Champion with four beadlocks 13x8 2”offset Aero Wheels. In addition Aero Race Wheels will provide each regional champion with \$60 gift certificates and Aero Race Wheels will provide the Mod Lite STARS Series with winner circle stickers to be awarded to national/regional/weekly winners.
