Pit Parking: We will be coordinating pit parking with the track and USAC officials. Todd Padgett will be on hand for parking instructions.

STARS Apparel: We will have fully stocked apparel at the STARS trailer for all of your STARS wearable needs.

Rules: 2017 Bilstein Modified Lite STARS Rules dated October 12, 2016 will be used.

Purse Payout: After the race and technical inspections, Bubba Raceway Park will conduct the purse payout.

Lineups: Pill draw will be used to determine heat race lineups. Results from heat races will set the first half of the feature lineup. B-Mains will determine the final starting positions and alternate positions for the feature.

Non-Qualified Race: Drivers who fail to make all three feature events will be eligible to compete in the non-qualified race scheduled for 15-laps. Lineup will be set by points.

Laps: Feature events will be 20 or 25 laps. Saturday's national race may be moved to 30-laps based on purse amount. The non-qualified race will be 15-laps. Heat races will be 8 laps in length with B-Mains (8-10 laps depending on number of cars).

Track Procedures: All heat races, B-Mains and features will follow normal Bubba Raceway Park track procedures.

Provisionals: Race tracks will choose their provisional first then Modified Lite STARS will select in keeping with the 24-car starting field. The Mod Lite STARS Tour provisional will be chosen from the 2016 points list for the first race scheduled on Thursday, Feb 23.

Inspections: Drivers will be required to pass pre-race inspection conducted at the Mod Lite STARS trailer. Top five of each feature will be required to pass a post-race inspection which will be conducted at the Mod Lite STARS trailer. Air compressor will be available.

Scales: If scales are available, all drivers must cross the track scales after heats, B-Mains and Feature events. The race director may modify the number of cars to be scaled.

Scales are Official: Track scales used by the Modified Lite STARS Tour are the official scales for that racing event only. The scales might not be calibrated or certified to be considered official.

Raceceiver: Raceceiver communication frequency 454.000 will be used for racing competition only.

Is there a fuel pressure restriction? No, we will be using the 2017 Mod Lite STARS rules.

Will Hoosier STARS tires be available? Yes, both the track and Todd Padgett will have the STARS plated tires.
