

BALDWIN BAGS PAT HERRICK MEMORIAL

(Middlebourne, WV) Another mid-summer classic at the ‘Bullring’ awaited race fans as the Tyler County Speedway presented the 6th Annual Pat Herrick Memorial for the STARS Modlites. With mother nature finally cooperating another jam packed pit area would see Josh Baldwin, Derek Rogers, Nick Corbitt, Derek Doll, Travis Thomas, Collin Holmes, Phillip Bubeck and George Casto III take feature wins at the Tyler County Speedway on \$5 Super Summer Saver Special Night.

Twenty two of the best STARS Modlites would take the green in the traditional running of the Herrick Memorial, but on lap one as the field flew down the backstretch a huge melee broke out sending half the field scurrying as cars were spinning and piling up while the lucky ones were able to navigate thru the carnage unscathed. When the caution flag flew it looked like ‘the big one’ at Daytona as the huge wreck would have the entire backstretch littered with battered race cars knocking out

eight cars for the feature event. Back to green it would be all Josh Baldwin as the Beallsville, Ohio racer and defending track champion would pick up the prized hardware in the 6th edition of the Pat Herrick Memorial. Baldwin would pilot the J&T Paving/ Saffell Trucking/ Evolution Chassis modlite to victory ahead of last week’s feature winner and teammate Ryan Saffell and Travis Holmes earning podium finishes.

The BILSTEIN Modified Lite STARS International Championship Tour is a non-profit organization formed to fill a void and restore much-needed stability to the brand of mod-lite racing. To reverse the downward trend that it was experiencing the Modified Lite STARS established stability and direction. Serving as a national sanctioning body the Modified Lite STARS International Championship Tour represents an aggressively growing segment of motor sports' racing and is recognized as the leader in modified lite racing. In its eighth year of operation the STARS program has gained widespread acceptance with its standardized rules, sponsorship program, with the STARS model becoming the basic guide for pockets of localized modified lite racers.

The Modified Lite STARS International Championship Tour is proudly supported by its major sponsors: BILSTEIN Shock Absorbers, North East Modified Lites, Knepper ATV Repair, Evolution Chassis, nXs Motorsports, American Ethanol, Ignite Racing Fuel, Sidewinder Chassis, Velocity Race Cars, Extreme Motorsports, Oil Medics, Schoenfeld Header's, Superior Race Cars, Reynolds Farm Equipment, John Deer and Hoosier Racing Tire.
