## New STARS 235 Mod Lite Tire To Be Introduced

With the continued growth of the STARS Mod Lite organization, STARS Series Officials and Hoosier Racing Tire have agreed to add a 235/60-13 in both Soft and Medium compounds to their existing tire lineup. The 235/60-13 STARS Soft and STARS Medium should be available for the upcoming National events this summer and give the series' customers the sizing and stagger options they are seeking.

“STARS requested a larger size for some of their new markets and Hoosier is happy to continue our growth with Bill and entire STARS team.” explained Hoosier Product Manager Shanon Rush.

The new 235/60-13 STARS tire will be available in both Soft and Medium versions and feature the same durable, repeatable compounds as the current STARS tires. The sidewalls will also remain the same. Hoosier expects the new tires to hit their distributor's shelves around mid-June, just in time for the summer national event schedule.

Item Number	Tire Size	Tread Pattern	Tread Width	Approx. Dia	Approx. Circ	Recom. Rim	Section Width	Compounds
36815	235/60-13	Dirt Bozz	8.0"	23.8"	75.0"	7.0"	10.2"	STARS SOFT, STARS MEDIUM

For more information on the addition of the STARS Soft and Medium tire, or to place an order, contact your nearest Hoosier Racing Tire Distributor. A complete list of locations can be found on our website, [www.hoosiertire.com](http://www.hoosiertire.com).
