

RIGGS WINS BILSTEIN MOD LITE STARS NATIONAL PRESENTED BY AMERICAN ETHANOL IGNITE RACING FUEL

FOR IMMEDIATE RELEASE

Montpelier, IN (June 26, 2016) – One would think that if one driver lead every lap of a 25-lap feature you could start off by saying that domination would be a good description, but how ever in case of Tyler Riggs driving his 99T EVO chassis had pressure from nationals points leader Jeff Teeters driving his Leader chassis #23 for the first 12 laps. “I heard him several times and I knew I had to hold my line” Riggs stated. “We worked hard this week getting ready and when the speedway prepped the track during intermission we had to make some quick setup changes.

With Teeters starting in the number one position and Riggs starting second Riggs was able to use the cushion entering turn one and was able to get the grip off of turn two taking the lead on lap-1. Teeters now in second,

followed by the #95 of Bill Lewis in third continued to put the pressure on Riggs for the first 10-laps.

Caution flew on lap-12 for the slowing of David Luckey which gave the field the opportunity to regroup. With a Delaware restart, Riggs maintained the lead for the remaining laps taking home a cool \$1,000.
