

Bilstein Modified Lite STARS Teaming with Roaring Knob Motorsports Complex and the Dirt Classic Presented By Kasey Kahne Qualifier

For Immediate Release
By Bill Bauer

Markleysburg, PA (May 20th, 2014):

Officials of the BILSTEIN Modified Lite STARS Championship Tour are pleased to announce the partnership with Roaring Knob Motorsports Complex and the Dirt Classic Presented by Kasey Kane. Bill Bauer, President of Competition & Racing Operations of the STARS series announced today that the Mod Lite STARS will be running at the Knob on June 1st with the Dirt Classic Presented by Kasey Kahne 410 Winged Sprints.

“We are very pleased to be able to work with Promoter Rick Jones along with Dirt Classic team,” Bauer stated.

The Dirt Classic Presented by Kasey Kahne is set to host the first qualifying race on Sunday, June 1. Sprint car drivers from Western PA and Eastern Ohio will join drivers from Central Pennsylvania at Roaring Knob Motorsports Complex to compete for the first of two guaranteed starting spots in September’s \$20,000-to-win Dirt Classic Presented by Kasey Kahne and a top prize of \$5,000.

Last May, Roaring Knob hosted sprint cars for the first time in its history. Central PA favorite Lance Dewease picked up the win over All Star Sprint Circuit of Champions driver Tim Shaffer and Logan Schuchart, PA native and the newest member of the World of Outlaws touring series. And just recently, Ohio natives Dave Blaney and Jac Haudenschild, two former World of Outlaws standouts, took different paths later in their careers with Blaney moving south to compete in NASCAR; however, the two friends were back at in their first ever appearances at Roaring Knob on Sunday and put on a show fans won’t soon forget. The two traded the lead on several occasions running lines all over the racey track, but in the end it was Blaney garnering the 30-lap, \$3,500 “410” Sprint Car feature win.

“Our Bilstein Mod Lite STARS program and mod lite drivers continue to impress race track owners which I have contributed to the increase popularity of the series,” Bauer said. “In 2014 we have secured more dates with the higher profile series like the Dirt Classic and World of Outlaw’s sprints and late models. We are currently working out the details for the race; the Mod Lite STARS will be on hand running under the STARS banner.”

Gates will open for the qualifier at Roaring Knob Motorsports Complex at 3:30 p.m. with hot laps scheduled for 5:45 p.m. and qualifying at 6:15 p.m.

The BILSTEIN Modified Lite STARS International Championship Tour is a non-profit organization formed to fill a void and restore much-needed stability to Modified Lite racing. To reverse the downward trend that the division was experiencing, the Modified Lite STARS established stability and direction. Serving as a national sanctioning body the Modified Lite STARS International Championship Tour represents an aggressively growing segment of motor sports racing and is recognized as the leader in Modified Lite racing. In its eighth year of operation the STARS program has gained widespread acceptance with its standardized rules and sponsorship program. The STARS model has become the basic guide for pockets of localized Modified Lite racers.

The 2013 season was a very successful one that saw more than 230 different drivers competing for regional and national points. Our best estimates are that because of sponsorship support we were able to pay out more than \$200,000 in cash and awards.

The Modified Lite STARS International Championship Tour is proudly supported by its major sponsors: BILSTEIN Shock Absorbers, Northeast Modified Lites, TRU Racing Wheels, Hoosier Racing Tire, Knepper ATV/Motorcycle/Snowmobile Repair, and Sidewinder Chassis by SS Racing, Velocity Race Cars, JobRite Pools, Spas & More, Eliminator Race Cars, and Precise Racing Products.
