By Bill Bauer

August 11, 2014 FOR IMMEDIATE RELEASE

(Somerset, PA)... With the 2014 season nearing $\frac{3}{4}$ completed, the Bilstein Modified Lite STARS Series, Bill Bauer President of Competition and Racing Operations is thrilled to announce the addition of Mid Tennessee Mod Lites Association to the Mod Lite STARS organization. Tennessee Mod Lites Director Freddie Prosser reached out to the Mod Lite STARS earlier in the year concerning teaming up with the STARS program. Bauer stated during conference calls “the STARS number one priority is to continue to fill the void and restore stability within the mod lite community”.

Freddie Prosser and the Mid Tennessee Mod Lites have put together an excellent program with the promoters of Crossville Raceway and I-75 Raceway and we are looking forward working with the Tennessee group along with Taylor Tire & Towing, Luna Motorsports & Speed Shop, and Dwarf Car Co, Inc. Bauer further stated that the Tennessee group has done an excellent job and we have a common philosophy between the Bilstein STARS program and the Tennessee Mod Lites Association. The Tennessee Modified Lites will fall under the South East Sunbelt Region.

The BILSTEIN Modified Lite STARS International Championship Tour is a non-profit organization formed to fill a void and restore much-needed stability to the brand of mod-lite racing. To reverse the downward trend that it was experiencing the Modified Lite STARS established stability and direction. Serving as a national sanctioning body the Modified Lite STARS International Championship Tour represents an aggressively growing segment of motor sports' racing and is recognized as the leader in modified lite racing. In its eighth year of operation the STARS program has gained widespread acceptance with its standardized rules, sponsorship program, with the STARS model becoming the basic guide for pockets of localized modified lite racers.

The 2013 season was very successful that saw more than 230 different drivers competing for regional and national points. Our best estimates are that because of sponsorship support we were able to pay out more than \$200,000 in cash and awards.

The Modified Lite STARS International Championship Tour is proudly supported by its major sponsors: BILSTEIN Shock Absorbers, Northeast Modified Lites, TRU Racing Wheels, Hoosier Racing Tire, Knepper ATV/Motorcycle/Snowmobile Repair, and Sidewinder Chassis by SS Racing, Velocity Race Cars, JobRite Pools, Spas & More, Eliminator Race Cars, Precise Racing Products, Taylor Tire & Towing, Luna Motorsports & Speed Shop, and Dwarf Car Co., Inc. .
