

North Carolina Rockfish Motorsports Speedway Hosting NC Mod Lites Club in 2015

(Rockfish, NC January 22nd 2015) Excitement is building in the Fayetteville/Raeford, North Carolina area with the formation of the Carolina Mod Lite Club. The club was formed by local driver/owner: Duke Layton. The club will focus on building the Mod Lite division in the area with the help of Modified Lite STARS affiliation. STARS racing director-Bill Bauer, has built a solid organization which will allow for the future growth of the Mod Lite division in the southeast region. Check out the club on Facebook and stay up to date with current events. Facebook - Carolina Mod Lite Club

Rockfish Motorsports Speedway located in Raeford, NC announced the addition of a Mod-Lite Division for the 2015 racing season. Track Owner "Brownie" and Track President/Promoter Bill Dolbier are excited to be the first facility to host the Mod Lite Division in the area. Rockfish

Speedway is a family friendly facility, boasting a free pit-pass to every spectator. With an open layout, the speedway shares the pit area with the fans, bringing a new spin to dirt track racing. Racing every Saturday at the Speedway are Mini and Pro go karts, 270 Micro Sprints, 600 Micro Sprints, Legends and new for 2015-Mod Lite! Check out the tracks website and stay update with their schedule of events at www.rockfishmotorsports.com

The BILSTEIN Modified Lite STARS International Championship Tour is a non-profit organization formed to fill a void and restore much-needed stability to the brand of mod-lite racing. To reverse the downward trend that it was experiencing the Modified Lite STARS established stability and direction. Serving as a national sanctioning body the Modified Lite STARS International Championship Tour represents an aggressively growing segment of motor sports' racing and is recognized as the leader in modified lite racing. In its eighth year of operation the STARS program has gained widespread acceptance with its standardized rules, sponsorship program, with the STARS model becoming the basic guide for pockets of localized modified lite racers.
