

Rossell Win's Bilstein Modified Lite STARS Heartland East/West Opener

Burlington, IA (April 1, 2013): Despite cold weather and pending rain showers, 19 teams were on hand Saturday night March 30th at the famed 34 Raceway Park, Burlington, IA to kick off the 2013 Bilstein Modified Lite STARS Tour. The Heartland East and West regions teamed up and kicked off Saturday night with regional points being awarded for both the East and West Heartland region.

Josh May the 2012 STARS national champion was on hand hoping to pick-up where he left off in 2012 season winning his Heartland West region championship along with three of the five STARS national events. May's 2012 record didn't slow down feature winner Greg Rossell from Knoxville, IL who lead wire to wire for his first 2013 feature win, taking home a cool \$300. The driver of the #16 Devon Rouse walked away with no injuries when he took a series of wild flips after hitting a rut. Heat feature winners were Greg Rossell and Chase Flatt
