

Ron Parrish Takes Home Cool \$1000 from Portsmouth Raceway Park Bilstein Modified Lite STARS Mid-Atlantic Points Race Tyler Frankenberry Remains as Regional Points Leader

PRP Press Release - July 28, 2014

PRP's largest car count Saturday was in the Mod Lite Division, as nearly 30 competitors rolled into town for Portsmouth Raceway Park's annual Mod Lite event paying \$1,000 to win. Mod Lite drivers were on hand from Pennsylvania, Tennessee, West Virginia, and Ohio.

Fairmont, WV's Ron Parrish started on the outside of the front row and quickly found his way to the lead. Parrish held off Jeff Teeters, Tracy Fritter, Lynn Knepper, and Anthony Helms to take the win. Fifteen-year-old Tyler Frankenberry, Micah Collins, James Halfhill, Alex Pitts, and Eric Maples made up the rest of the top 10.

The motorcycle-engine powered Mod Lites put on a great show for the PRP fans. In addition to featuring three heats, a B-Main, and an A-Main stacked full of competitive racing, the division also presented one of the wildest crashes of the night. Hillsboro driver Kevin Spencer was got caught up in accident that sent him flipping wildly in turn one. He did walk away uninjured.

The BILSTEIN Modified Lite STARS International Championship Tour is a non-profit organization formed to fill a void and restore much-needed stability to Modified Lite racing. To reverse the downward trend that the division was experiencing, the Modified Lite STARS established stability and direction. Serving as a national sanctioning body the Modified Lite STARS International Championship Tour represents an aggressively growing segment of motor sports racing and is recognized as the leader in Modified Lite racing. In its eighth year of operation the STARS program has gained widespread acceptance with its standardized rules and

sponsorship program. The STARS model has become the basic guide for pockets of localized Modified Lite racers.

The 2013 season was a very successful one that saw more than 230 different drivers competing for regional and national points. Our best estimates are that because of sponsorship support we were able to pay out more than \$200,000 in cash and awards.

The Modified Lite STARS International Championship Tour is proudly supported by its major sponsors: BILSTEIN Shock Absorbers, Northeast Modified Lites, TRU Racing Wheels, Hoosier Racing Tire, Knepper ATV/Motorcycle/Snowmobile Repair, and Sidewinder Chassis by SS Racing, Velocity Race Cars, JobRite Pools, Spas & More, Eliminator Race Cars, and Precise Racing Products.
