

Bilstein Mod Lite STARS Mid-Atlantic Heads to the Knob for the Second Annual Top Less Challenge \$500 to Win!

FOR IMMEDIATE RELEASE:

SOMERSET, PA (April 16, 2014) – Roaring Knob Motorsport Complex will be hosting the second annual New't Bar Top Less Challenge which will be paying \$500 to win \$75 to start. Last week at the Tyler County Speedway Bull Ring Ron Parrish driving his 21R mod lite was able to hold off charging Tracey Fritter for the win. Saturday night Fritter will be able to repay Parrish with a victory.

Last year Micky Hay had an easier time of things on **Saturday** in the A Main. He got out to the lead at the drop of the green. Regional point's leader Alan Knepper ran a close second, and it looked as though two of Hay's Evolution chassis cars would battle to the finish. It was not to be, as a broken spindle sidelined Knepper midway through the race. Fritter came through the pack to grab second in the finale. Tim White ran a consistent race, taking third.

For more information regarding Roaring Knob contact the speedway at 724-329-0306. GPS address Roaring Knob Motorsports Complex, 380 Fearer Rd. Markleysburg PA 15459

PROVISIONALS

Race tracks will choose their provisional first. If the track doesn't take a provisional then Modified Lite STARS Tour will use both provisional's in keeping with the 24 car starting field. Modified Lite STARS Tour provisional will be chosen from the points list for 2014.

The BILSTEIN Modified Lite STARS International Championship Tour is a non-profit organization formed to fill a void and restore much-needed stability to Modified Lite racing. To reverse the downward trend that the division

was experiencing, the Modified Lite STARS established stability and direction. Serving as a national sanctioning body the Modified Lite STARS International Championship Tour represents an aggressively growing segment of motor sports racing and is recognized as the leader in Modified Lite racing. In its eighth year of operation the STARS program has gained widespread

acceptance with its standardized rules and sponsorship program. The STARS model has become the basic guide for pockets of localized Modified Lite racers.

The 2013 season was a very successful one that saw more than 230 different drivers competing for regional and national points. Our best estimates are that because of sponsorship support we were able to pay out more than \$200,000 in cash and awards.

The Modified Lite STARS International Championship Tour is proudly supported by its major sponsors: BILSTEIN Shock Absorbers, Northeast Modified Lites, TRU Racing Wheels, Hoosier Racing Tire, Knepper ATV/Motorcycle/Snowmobile Repair, and Sidewinder Chassis by SS Racing, Velocity Race Cars, JobRite Pools, Spas & More, Eliminator Race Cars, and Precise Racing Products.

You can reach Bill Bauer at 814-442-1738. E-mail to info@modlitestars.org and snail mail to 128 Bruner Ave, Somerset, PA 15501.

For the latest breaking news on the BILSTEIN Modified Lite STARS International Championship Tour visit the series' website at www.modlitestars.org.
