Lineups: Pill draw will be used to determine heat race lineups. For Thursday & Friday night; Top 3 finishers from each heat race will draw for their starting position at the Modified Lite STARSs International Championship Tour trailer. Saturday night feature will be raced heads up based on heat and B main finishes. The final A-Main qualifiers will fill in the middle part of the feature lineup. B-Mains will determine the final starting positions and Alternate positions for the feature. All Alternates will be required at the starting lineup for the feature and will be added in the case that a qualified car has scratched from the feature event.

Heat races will be 8 laps in length with B-Mains (8-10 lap depending on amount of cars).

All heat races, B-Mains and features will follow normal track procedures.

Order of events and lineups: The order of events and lineups at each individual track will be posted at the Modified Lite STARSs International Championship Tour trailer which will be located in the pit area. It is the responsibility of each individual race team to stay abreast of changes to those lineups in the event of changing weather conditions, etc.

Provisionals: Race tracks will choose their provisional first. In the case a track chooses not to take a provisional then Modified Lite STARSs International Championship Tour will use both provisionals in keeping with the 24 car starting field. For night one, Mod Lite STARS Tour provisional will be chosen from the points list for 2015.

Lodging: Race teams are reminded that the official host hotel for the STARS in Motel 6 Ocala Conference Center, 3810 NW Blitchton Rd, Ocala, FL. Call 352-732-3131 and ask for the Mod Lite STARS \$54.99 rate.
