NXS MOTORSPORTS RETURNS AS ASSOCIATE SPONSOR FOR 2017

SOMERSET, PA: The Bilstein Modified Lite STARS International Championship Tour announced today the signing of NXS Motorsports as an associate sponsor for the 2017 season. NXS Motorsports, a leading parts manufacturer and distributor within the modified lite and dwarf car industry, joins the growing family of sponsors for the popular dirt oval racing series now in its tenth year of operation.

For the third consecutive year, NXS Motorsports has partnered with the premier modified lite tour to support the 12 regional race leagues and more than 350 race teams throughout the country. The NXS Motorsports sponsorship further strengthens the STARS tour mission to provide competitors with fair and consistent guidelines based in safety and equal competition. With a growing number of drivers from coast to coast, loyal fans with a passionate allegiance to the race class will benefit from increased competition and fierce racing action.

“NXS Motorsports remains a valued and important partner to the STARS organization,” said Modified Lite STARS President of Competition and Racing Operations Bill Bauer. “The support that Darrel Lewis and his team provides both in sponsorship and through customer care is highly regarded by both our race teams and fans.”

“We are very happy to be returning as a supporting member of the growing modified lite and dwarf car community,” said NXS Motorsports owner and PRO Race Car dealer Darrel Lewis. “After more than 10 years of working with many teams and manufacturers that make up this unique family of racers, NXS Motorsports has grown to specialize in understanding driver demands and consistently surpassing expectations.”
